In the Islamic heritage , there's what is known as the Israelis in the converses

Ibn Taimia said about them in his book (the collection of messages) *Game' Alarsae'*

"concerning the intruded converses they are fake untrue sayings, They are either fabricated or Israeli., They are unaccredited converses intruded in the converses "

Knowing that converse is an important source of legislation is Islam

So, the question is: what forbid those Israelis to be intruded in the quran as well?

In The Criterion Chapter (Surat Al-Furqan) 4-6:"Those who disbelieve say: "This (the Quran) is nothing but a lie that he (Muhammad) has invented, and others have helped him at it, so that they have produced an unjust wrong thing and a lie. And they say: "legendaries of the ancients"

So not only in the converses, but also in the quran

Where is that from "It is we who have sent down the *Dhikr* (the Quran) and surely, we will guard it"

Those Israelis are divided into two divisions:

- 1) First: from the old testament of the Holy Bible
- 2) The popular tales and Israeli narrations

### From the Taurât and the psalms

As mentioned in the following verses;

The Most High chapter (Surat Al-A'laa) 18:" This is in the former Scriptures, the Scriptures of Ibrahim and Moses"

The former scriptures are those scriptures descended before the quran

The Star chapter (Surat An-Najm) 36:"Or is he was not informed with what is in the Pages (Scripture) of Moses, And of Ibrahim"

Of those examples:

1) The story of the creation:

Mentioned in the book of genesis chapter 1 " In the beginning God created the heavens and the earth"

And also in the cattle chapter (Surat Al-An'am) 73:"It is he who has created the heavens and the earth"

## **2) The creation of the world in six days**

Mentioned in the book of genesis chapter 1

And also in iron chapter (Surat Al-Hadid) 4:" it is him who created the heavens and the earth in six Days"

## **3) Adam and Eva:**

In the book of genesis chapter 1: 26, 2:18

And in the cow chapter (Surat Al-Baqarah) 30 and the next verses

## **4) The story of Cain and Abel**

In the book of genesis chapter 4,

And also mentioned in the quran but he called Cain as Cabell but Cain is the original Hebrew word

## **5) Noah and the flooding**

It was mention in the quran but it said that one of Noah's sons perished, which was not mentioned in the Holy Bible, as all of Noah's sons were saved

- Also we have the story of Ibrahim mentioned in the book of genesis in the Holy Bible and in the cow chapter (Surat Al-Baqarah) in the quran
- The story of Lot mentioned in the book of genesis in the Holy Bible and in Hud chapter
- The story of Jacob / Israel in the book of genesis in the Holy Bible and in the Ranks (Surat As-Saffaat) in the quran
- The story of Moses and Pharaoh, the pillar of cloud, the manna and the quail and the rock and the story of the golden calf those mentioned in the book of exodus in the Holy Bible they were mentioned also in cow chapter (Surat Al-Baqarah) in the quran
- The revelation of God to Moses mentioned in the book of exodus in the Holy Bible, it was also mentioned in cow chapter (Surat Al-Baqarah) and the narration chapter (Surat Al-Qasas) in the quran

It was estimated that about 170 quotations from the Holy Bible are present in he quran

## **How did the prophet know about those stories?**

The prophet knew about those stories from the Jews who were contemporary to him, with them he had many relations

Sheikh Khalil Abdul-Kareem said in his book " the genesis period in the life of the honest and truthful" , page 95:" Miss Khadija allowed the prophet Muhammad to be in contact

with the priest Waraqa Ibn Nofal , addas and Bohyra , he spent long nights with Ibn Nofal discussing with him and he mixed with all rites , denominations and religions present at that time

## The legends and popular tales

As those quoted from the Jewish Talmud named the Babylonian Talmud

There are 9 chapters in the quran that's showing that he quoted from the ancient legends ;of them the Believers chapter (Surat Al-Mu'minin), the Criterion Chapter (Surat Al-Furqan) and the Ants chapter (Surat An-Naml)

Abdullah Yousef Ali said in his exegesis, page 1382:"the quran had quoted lot of things from the Simian tales book

There was a book in Greek and was published in London, about it he said that it seems that this book is of Hebrew origin

He also pointed to the Jewish Madras in page 1638

As examples of those quotations:

1) Cabell's learning from a crow the way of burying his brother

Mentioned in the table chapter (Surat Al-Ma'idah') it was quoted from a Hebrew book named (Arke Rabae Ali Azar) chapter 21

This legend exists in the Jewish torjoun (torjoun shame) for the book of Esther

7) The seven skies

That's a legendary present in a Hebrew book named (Hethika), chapter 9, and page 2

8) The seven gates of the hell:

In a Jewish book named (Zouhar)

9) The flooding of Noah was mad of boiling water

In the exegesis of Rashi (Hebrew annotator) for the book of genesis

10) The preserved tablet

It is quoted from a Hebrew book named (Flaky Abroud), chapter 5, and page 6

Those stories and others are legends not mentioned in the holy Books

The question is does god put legends in his book?
